

Bristol European Green Capital 2015

The Award

- For a city with a good track record of environmental improvements
- For a city with ambitious plans for further environmental improvements
- For a city that can share with others

Transport highlights

- Our cycling successes
- Ambitious plans and targets
- Investment in rapid transit
- Managing parking and speed
- [Click Here for Summary of Technical Bid](#)

Our Aims

- To green Bristol and improve quality of life
- To create local jobs by promoting Bristol and Bristol businesses across the world
- To share Bristol's learning with cities across Europe and the World.

2015

- A year long programme of events
- We decide what we do
- Engage communities and businesses across Bristol
- Showcase and share Bristol across the world
- Bristol as a “Laboratory for Change”
- New Bristol 2015 company to manage it

What would you like to see?

- How would you like to be involved?
- What events would you like to support, run, take part in?
- What projects would you like to get involved in?
